**Product description**

Our Linear LED Light is engineered to deliver sleek, uniform, and energy-efficient illumination for modern architectural and commercial spaces. Designed with precision optics and advanced LED technology, it provides seamless light distribution with minimal glare, making it ideal for offices, retail stores, showrooms, hospitality environments, and contemporary residential interiors.

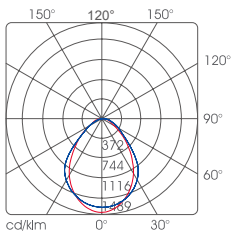

Manufactured with a high-quality extruded aluminum housing, the fixture ensures excellent heat dissipation, long operational life, and consistent performance. The powder-coated finish enhances durability while maintaining a clean and minimalist aesthetic that integrates effortlessly into ceilings or suspended installations

**PRODUCT PARAMETER**

Model	LENA 20 Linear
Beam Angle	120°
Life	50000Hrs.
Installation method	ceiling type / hanging wire type
Waterproof Rating	IP20 , IP40 on request
Profile Size	W20mm×20mm
Size	Customizable
Input Voltage	AC220-240V/AC85-265V , 50-60Hz
Lumens	100Lm/w

**TECHNICAL DETAILS**

Power	15w/m
Face Mask	sanded white/ Black /Silver / RAL and pantone on request
Material	Aluminium + Polycarbonate diffuser / PMMA PRISMATIC on request
Color tempreture	2700K/3000K/4000K/6000K/RGBW
Power Supply	ON/OFF power supply/ Dali/ 0-10V / Power supply Customized upon request
