Product Datasheet**LENA 35 Square****Product description**

Our Square Profile Linear LED Light is a bold architectural lighting solution designed to create sharp, defined illumination lines with a contemporary geometric aesthetic. Featuring a clean square aluminum profile, this fixture adds structured elegance to modern commercial and residential interiors.

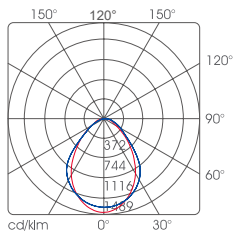

Crafted from high-grade extruded aluminum, the square housing ensures superior heat dissipation and long-lasting durability. The precise diffuser system delivers uniform, glare-controlled lighting with smooth light distribution, making it ideal for task lighting, ambient lighting, and decorative linear layouts.
